
I am delighted to report that our examination results this year were excellent, yet again, and that our 5+A*-C pass rate rose for the twelfth consecutive year; a feat which is unequalled by any school in England. An incredible 87% of our pupils gained 5+A*-C grade GCSEs this year, the highest in the history of the School. This is the fourth year we have exceeded 80% and makes us one of the most successful schools in the County in that respect.

These results are a credit to the attitude and hard work of pupils, the support of parents and the expertise, commitment and professionalism of staff at the School.

Of the many pupils who all achieved 13 or more A*-C GCSEs, perhaps special mention should go to the following who each gained a clutch of A* and A grades:

A*-A GCSEs:

Esther Turner	13
Danielle Harris	12
Zara Coton	12
Sammy Bunn	11
Marie Summerford	11
James Cross	8
Jonathan Black	7
Rhiannon Kirby	6
Georgina Baulcomb	5
